**Payment Plan**

June 1

## Parent Information Night

Please plan on attending our parent night prior to the start of the season. We have many activities planned throughout the season so we ask all members to attend our annual parents' meeting to learn more about our exciting summer season This is an opportunity to meet the coaches, Sunfish board members and to receive your group schedule for practices. **Please check your e-mails and our website for upcoming details**

## Fundraising and Volunteer Fees

In order to keep the costs of our program affordable our members are required to pay a **\$100.00 per child** fundraising deposit up to a maximum of **\$200 per family**. You will have many opportunities throughout the season to raise funds to earn back your deposit. We have planned many exciting and fun activities to assist our members in their fundraising efforts, such a pub night, bottle drives, Purdy's chocolates, cookie and meat orders and mile swim as well. The Volunteer Fee is a deposit of **\$150 per family**. Families fulfilling their volunteer hours will not be charged.

## **Volunteer Requirement**

The Sunfish are a volunteer organization that requires parents' participation throughout the summer season. Each family is required to volunteer for the Club a minimum of 20. 8 of those hours must be carried out at our home meet. If you are not attending the home meet, you can help us with 4 hours of pre-meet duties that fit in with your schedule. Many of your volunteer hours can be carried out at the pool while your child swims (timing at swim meets, filing, ribbon sorting, handing out fundraising orders etc.).

## **Sunfish Trial Membership**

We encourage all swimmers and water polo players to invite their friends to participate in our Trial Membership (for new BCSSA swimmers). This trial membership is valid for 5 consecutive sessions and provides the athlete with an opportunity to experience all our Sunfish programs. The trial membership fee is \$40 and will be applied towards a full membership with Sunfish. A completed BCSSA Membership form and fee must be submitted by the 1st trial session.
